**The tour includes car transport, boat transfers to Tawali resort, snorkeling equipment, guides, and a buffet lunch.*

1.

After a brief town orientation, we set off for Tawali. Along the way, we will introduce you to the history, culture and traditions of the Milne Bay people and the impact of the colonial-missionary period and World War II on the local people.

2.

We arrive at the Bewa Bay wharf, on the north-east coast of Papua New Guinea, where we will be picked up by a boat, heading across to Tawali Resort, where a hot buffet awaits you on the treetop balcony.

3.

After your meal, guests can then decide whether they would like to spend the afternoon snorkeling Tawali's reef drop or take a tour to the nearby scull caves. In the late afternoon, you would then head back to Driftwood Resort
